§6–304.

(a) The Secretary shall assist local governments, if necessary, to provide case management of children with elevated blood lead levels greater than or equal to 10 micrograms per deciliter ($\mu\text{g}/\text{dl}$) before July 1, 2020, and greater than or equal to the reference level defined in § 6–801(q) of this title on or after July 1, 2020.

(b) Within 10 business days after receipt of the results of a blood test for lead poisoning indicating that a child under the age of 6 years has an elevated blood lead level greater than or equal to the reference level defined in § 6–801(q) of this title, the Department or a local health department shall notify:

(1) The child's parent or legal guardian; and

(2) If the child does not reside at a property owned by the child's parent or legal guardian, the owner of the property where the child resides.
